I HAVE HAD A LOT OF WORK DONE BY MISS ANDREWS. THE MOST RECENT WAS HAVING 2 IMPLANTS TO MY FRONT TEETH. THE PROFESSIONALISM AND CARE THAT WENT INTO THE WORK WAS OUTSTANDING, AND I WOULD NOT EVEN CONSIDER GOING ELSEWHERE FOR THIS. THANKYOU SO MUCH KAREN AND STAFF. KEEP UP THE GOOD WORK!

Miss Andrews is wonderful - A sad figure of a man entered these portals nearly four years ago with a mouth full of problems - Miss Andrews worked miracles - I'm a new man - THANKS KAREN XX.

Recommended to Miss Andrews. Needed 12 replacement fillings. Treatment went very smoothly and for someone who hates the dentist, I found the whole experience very pleasurable. Thankyou Karen Letchford.

Who enjoys a trip to the dentist? I was put at my ease and everything was explained to me clearly allowing me to make a well informed choice. Seeing ~~the~~ the picture on a screen of the problem is very helpful.

AFTER 18 MONTHS OF PAIN AND DISCOMFORT OF VISITING DIFFERENT DENTISTS AND BEING TOLD I NEEDED TO HAVE MY FRONT TEETH TAKEN OUT, I VISITED KAREN AFTER FINDING HER ON THE INTERNET. WHAT A DIFFERENCE I AM NO LONGER IN PAIN AND HOPEFULLY SHE HAS SAVED MY TEETH AND THEY LOOK FANTASTIC, I CAN ACTUALLY TALK TO PEOPLE NOW WITHOUT COVERING MY MOUTH WITH MY HAND. IT HAS MADE SUCH A DIFFERENCE TO ME

Hated dentists for years, teeth fell out in the end I had to do something, I tried a few dentists, got to the door and walked away.

Pain forced me to get something done, an inlaw suggested Karen the hard part was getting through the door, DERRIE put me at ease then had the treatment done by Karen 18 months later, I don't fear dentists, well not Karens anyway, Dentures are perfect

I really feel that me and my teeth are so well cared for. Appreciate the caring, supportive and friendly atmosphere. I was introduced to Karen by a friend who is scared of dentists almost 9 years ago. I know why he made the recommendation and can do the same
